Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Trinity Metro Bus Stop Improvement Program in fiscal year 2025. The entity to receive funding for this project is Fort Worth Transportation Authority, located at 801 Grove Street, Fort Worth, Texas 76102.

The funding would be used for construction and improvements to bus stops within the Trinity Metro service area. The project is an appropriate use of taxpayer funds because it will provide much needed safety and accessibility to underserved communities of Fort Worth that use Trinity Metro. The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,

Marc Veasey
Member of Congress

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the TCC Cybersecurity Defense Center in fiscal year 2025. The entity to receive funding for this project is the Tarrant County College District located at 1500 Houston St, Fort Worth, Texas 76102.

The funding would be used for the construction of the TCC Cybersecurity Defense Center. This is a valuable use of taxpayer funds because TCC recently received a designation by the National Security Agency as a National Center of Academic Excellence in Cybersecurity and Cyber Defense. The next phase is for TCC to build a state-of-the-art Cyber Defense Center to support students seeking jobs in the cybersecurity sector. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,

Marc Veasey
Member of Congress

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Irving Domestic Violence Shelter in fiscal year 2025. The entity to receive funding for this project is the City of Irving, Texas located at 825 W. Irving Blvd. Irving, TX 75060.

The funding would be used for the construction of a Domestic Violence Shelter in Irving, Texas. This is a good use of taxpayer funds because it would provide emergency and transitional beds for persons fleeing domestic violence and need a safe haven until they figure out their next steps. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Dallas Five Mile Creek Trail in fiscal year 2025. The entity to receive funding for this project is the City of Dallas located at 1500 Marilla, Dallas, TX 75201.

The funding would be used for construction of the Five Mile Creek Trail. The project is an appropriate use of taxpayer funds because it will provide amenities and access to moderate and low-income neighborhoods in South Dallas. This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Former Cavile Public Housing Site Public Improvements & Site Work - Hughes House II & III in fiscal year 2025. The entity to receive funding for this project is Fort Worth Housing Authority, located at 1407 Texas Street, Fort Worth, Texas 76102.

The funding would be used for construction of the Former Cavile Public Housing Site Public Improvements & Site Work - Hughes House II & III project. The project is an appropriate use of taxpayer funds because it will provide much needed housing to underserved communities of Fort Worth. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Grand Prairie, TX - I-30 Frontage Rd. Water Lines project in fiscal year 2025. The entity to receive funding for this project is the City of Grand Prairie, Texas located at 300 W Main Street, Grand Prairie, TX 75050

The funding would be used for the construction of water lines on I-30 Frontage Rd. This is a valuable use of taxpayer funds because it would provide water lines for an area along I-30 with limited water access, limiting development. These water lines would greatly increase the opportunities for development in the area. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kiest Recreation Center Enhancements in fiscal year 2025. The entity to receive funding for this project is the City of Dallas, Texas located at 1500 Marilla St, Dallas, TX 75201.

The funding would be used for upgrades and renovations at Kiest Recreation Center. This is a valuable use of taxpayer funds because it would improve one of Dallas' most used recreation centers that serves several low and moderate income neighborhoods. These upgrades include interior renovations, fire protection, and electrical upgrades. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the One Second Collaborative in fiscal year 2025. The entity to receive funding for this project is United Way of Tarrant County located at 201 N. Rupert St., Ste. 107 Fort Worth TX 76107.

The funding would be used for the implementation of One Second Collaborative's comprehensive plan to reduce the cycle of youth gun violence in Tarrant County. The project is an appropriate use of taxpayer funds because it would reduce violence and improve capacity in community-based organizations. The project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Performance Lift Station – Grand Prairie in fiscal year 2025. The entity to receive funding for this project is the City of Grand Prairie, Texas located at 300 W Main St, Grand Prairie, Texas 75050.

The funding would be used to upgrade a lift station improving water infrastructure for the City of Grand Prairie. This is a valuable use of taxpayer funds because it would expand the lift station to accommodate high growth in the NE Grand Prairie area. Additional improvements are needed including addition of backup power and independent backup pumping. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Randol Mill Hazardous Road Overtopping Mitigation (HROM) Project in fiscal year 2025. The entity to receive funding for this project is the City of Fort Worth, Texas located at 1000 Throckmorton St.- Rm. G14b, Fort Worth, TX 76102.

The funding would be used to upgrade road and flood mitigation features on Randol Mill Road. This is a valuable use of taxpayer funds because it would improve safety of vehicular and pedestrian traffic and implement flood mitigation measures on Randol Mill Road. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Randol Mill Road Area Improvements Planning Study: IH-820 to Meadowbrook Blvd in fiscal year 2025. The entity to receive funding for this project is the City of Fort Worth, Texas located at 1000 Throckmorton St.- Rm. G14b, Fort Worth, TX 76102.

The funding would be used to conduct the Randol Mill Road Area Improvements Planning Study. This is a valuable use of taxpayer funds because it would allow the City of Fort Worth to analyze and move forward with improvements to the safety and flood mitigation of the road. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Reconnecting a City: West Dallas Multi-Modal Bridge, Dallas, Texas in fiscal year 2025. The entity to receive funding for this project is the City of Dallas located at 1500 Marilla St, Dallas, TX 75201.

The funding would be used for construction of the West Dallas Multi-Modal Bridge. The project is an appropriate use of taxpayer funds because it will connect the communities on both sides of the bridge and provide safe transit between both sides of the bridge without having to cross the dangerous rode. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Forest Hill Smart City Community Development Program: Building for Tomorrow Today in fiscal year 2025. The entity to receive funding for this project is the City of Forest Hill, Texas located at 3219 E California Parkway, Forest Hill, Texas, 76119.

The funding would be used for the implementation of smart water meters throughout the City of Forest Hill, Texas. The project is an appropriate use of taxpayer funds because upgrading the city's aging water infrastructure with smart meter technology will improve operational efficiencies and more accurately manage their water system while saving time and money in the long-term. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
